MOTION # 16

Delete current C

1,2 C) Preliminary cuts must be made following the completion of the 2<sup>nd</sup> scheduled tryout session, reducing the maximum players in the remaining tryout sessions to no less than 20 per team being drafted. The preliminary cuts are those players who have NOT made the team. If less than 20 players attend try outs than all players will remain until the final cut. In such instance the total number of tryout ice times may be reduced.
